## Pearls From the Deep

### WHY MORE FAITH IS NOT NEEDED

Everywhere Jesus went He said to those He ministered to, "According to your faith be it unto you." So, receiving from Jesus requires us to believe. It is not an option. But on this side of the cross we have an advantage. We have the privilege and opportunity to receive Jesus Himself! When we receive Jesus we get all of Him!

Nothing is held back, including His faith. We get Jesus' faith! This is no small thing. This is why Jesus said, "...He that believes on me, the works that I do shall he do also, and greater works than these shall he do, because I go unto my Father." (John 14:12) The issue now is not how much faith we HAVE, but how much faith we USE. So, I ask you, what are you doing with your faith, the faith that Jesus gave you?

## Fresh Fire Healing School at New Life Church Circleville

Fresh Fire Healing school just wrapped up at New Life church in Circleville Ohio with over 30 graduates. We saw many broken hearts healed, physical healings, and the sweet presence of God at each and every session. People are hungry for MORE! And all who attended left

feeling full! We watched Gods spirit minister to many hurting in their emotions and physical bodies. Many received FRESH fire and direction on where God is moving them in their personal lives and ministries. Every student

left equipped to pray for the sick and see them HEALED! Pray for all the recent graduates that God would keep them stirred and they would walk out their calling in JESUS NAME!

## Inner Healing Ministry

Our vision is to create a safe place for those who need inner healing to come and share their heart and receive an encounter with God that will change their life. We are seeing miracles as people allow the Holy Spirit to minister to them in areas of pain, guilt, shame, and wounds from childhood issues.

Nothing is more appealing than speaking beautiful life giving words. For they release sweetness to our souls and inner healing to our spirits. Proverbs 16:24 TPT

To schedule an appointment please call Cyndi Condri at 614-557-2170.

## Deliverance Ministry

DeepWater Inner Healing and Deliverance Team is a ministry to the soul (mind, will, and emotions) which will provide deliverance prayers. Each person wanting ministry is asked to fill out a questionnaire to help identify root causes for emotional pain and

spiritual problems. After the questionnaire is received, the team will schedule an appointment for ministry which typically lasts two hours. Each person receiving ministry may be scheduled for more than one session. Another part of this ministry is to

train others wanting to minister inner healing and deliverance. The trainees will be given instruction on how to find root causes, how to pray for inner healing, and to pray for deliverance. There will be required books and videos throughout the training.

## Amish Ministry

It's **noonday** in beautiful Amish Country!!!

- *Ps 37:6 He brings forth justice as the **noon-day** - The original word for noon-day is in the dual form, and means properly "double-light;" that is, the strongest, brightest light. It means "noon," because the light is then most clear and bright. The idea is, that he will make your character perfectly clear and bright. No cloud will remain on it.*

As the religious tides are turning, we declare, "Let freedom ring...out loud, outlandish - astound us o' God with your marvelous goodness."

As our God rules and reigns throughout the Amish Communities, Eva shouts boldly, "God Still heals... today! She simply cannot keep quiet about His goodness!

She openly shares her storybook "testimony" (Progression of Healing photos) of how God healed her of seemingly "incurable" diseases that 'were' stealing her very young life!

As a teenager Eva was debilitated with trigeminal neuralgia and Lyme disease. Yes both! But God!!!

Through standing on the very word of God (His promises to us...His Children) laying on of hands, and some wisdom from afar, Eva responded, experienced & received God's healing hands, word, and His power as she was filled with sheer joy, His Holy Spirit and was made completely whole! Her suffering was nailed to the cross for eternity. As God's goodness is being displayed for all to see! Miracles, Signs and Wonders are released to help people believe; that God exists and is love.

As the Fresh Revival Fires of God stream down the Amish streets, may the flickers, prayers and pockets of holy fire not be put out by watered down truths. His word never fails. His love never fades. His goodness displayed cannot be denied!!!

God still heals every single day! Watch out for them - blink of an eye... you could miss them.

Thank you Jesus ~ we love you!

## Update from the Philippines

The forgotten children of the Philippines are those who belong to poverty-stricken families in the Philippines. There are about 100 tropical storms that hit the Philippines from June through January each year. The families living in the affected areas are typically evacuated to higher grounds for safety. Most of them lose their homes and everything they own during the storm, especially those who are living at the beaches. These storms devastate the fishermen's livelihood.

To find shelter, some of them settled behind the Dipolog City Cemetery in Zamboanga del Norte. To make money, they look for recyclable materials like water bottles, glass and paper to sell to buy food for their families. Others braved it and remain at beaches, the only place they know where to survive since their main livelihood is fishing.

The children and their families live with very limited or no food to eat. To have clothes and shoes that fit them is a luxury. Some of the children are forced to drop out of school because of extreme poverty.

## Healing School Information

These classes provide an open-door opportunity for the surrounding community to learn more details about the “Spiritual Gifts” in the Bible. The meaning of the Baptism of the Holy Spirit and Water Baptism are described as distinct events. Class materials are filled with scripture references with examples

of what to say and how to pray for a variety of practical healing and restoration applications. Bible stories give examples of the Gifts being used. (Believers)... can operate in 1 or more of the Gifts in today’s economy. This summary of the “Gifts” in the Book of Acts would give any believer a solid foundation to build

their own anointing and gifts should they choose to operate in them in their own ministries.
